Lynnhaven River NOW recognizes Kerr Environmental Service Corp.

One of the first companies to be a part of the Pearl Businesses program!

Over the last year, Bob Kerr and Stephanie Jones of Kerr Environmental Services Corp have been working with Helen Kuhns of Pearl Homes and Businesses Coordinator of Lynnhaven River Now alongside seven other local companies creating the criteria and scoring process for the Pearl Business Program for the community of Virginia Beach.

The inaugural program launched on July 12, 2018, at the Pearl Business Awards Breakfast held at the Brock Environmental Center.

Kerr Environmental Services Corp. was recognized for reaching an elevated level of environmental responsibility and sustainability, implementing projects and changes in operations that focus on topics including water conservation, energy conservation, sustainable purchasing, habitat conservation, waste reduction and recycling.

For more information and to participate in conserving for your community and adopting a culture of sustainability within your organization please complete the ***Pearl Business Program application.*** A Pearl Business Coordinator will be in touch with you soon to help you get started.

For more information, contact Helen Kuhns helen@lrnow.org Pearl Programs Coordinator.
